Education in Human Values

What is EHV?

A very cost-effective, explicit, structured, cross-curricular resource contributing to the teaching of **SMSC**, **PSHEE**, **Citizenship** and **SEAL**, enabling fulfilment of the agenda for ***Every Child Matters***

What's in it?

- Engaging assembly and class-based materials
- Time-saving Lesson Plans for 2-3 years' work centred around five core values, together with an extensive range of related values
- Lesson ideas for Primary schools (ages 5-12)
- Adaptable subject matter to suit themes being promoted across the curriculum

What do people think of it?

- Head teachers and teachers celebrate it
- Learners love it and find it very helpful in developing positive values and morality
- Adults at home are delighted with its transforming effect on their youngsters
- School inspectors admire the ethos it creates

"SEE" (12-14+ years)

Social and Emotional Education

What is SEE?

A comprehensive, ready-to-use resource for Secondary schools (ages 12 to 14+), providing 2-3 years of Learning Modules suitable for every aspect of the curriculum, including **PLTS**.

How are the values taught?

- Through 'focus', forum, discussion and debate
- Practical activities such as group exercises, quizzes, role playing, related projects and suggestions for further exploration
- Singing and music
- Silent reflection / silent sitting

What does it achieve?

- A sound framework for guiding learners' thinking, decision-making and actions
- Supportive, values-based school communities
- Self-esteem and understanding of others
- Personal wellbeing conducive to developing character as well as competencies
- A sense of meaning and purpose in life
